dryclone plugin presets v.20201111

These are “dry” clones of existing plugin presets.

The purpose is so they may be quickly previewed, modified and used without messing up your mix or forcing you to waste time disabling all of the unnecessary effects in otherwise great sounding instruments.

"Perfection is achieved, not when there is nothing more to add, but when there is nothing left to take away."
— Antoine de Saint-Exupéry, *Airman's Odyssey*
